For Young Children (Ages 4-8)

A Little Bit of Rob
Barbara J. Turner
(Ages 4-8)

Ages 4-8. Following the death of her older brother, Rob, young Lena and her parents attempt to assuage their grief and move on with their lives by going on an overnight crabbing expedition. As they step into their boat and set off to sea, they remember many past excursions shared with Rob. Almost every item on the boat reminds them of him, including his old sweatshirt (still smelling of baseball and outdoors) that Lena dons to keep herself warm. Although they have not yet completed the grieving process, by the story's end, they have progressed to the point of finding comfort in remembering and in sharing memories with each other.

Stacy Had a Little Sister
Wendle C. Old
(Ages 4-8)

When Stacy's baby sister is a victim of Sudden Infant Death Syndrome, her parents are faced with explaining the tragedy to her. The story does a competent job of anticipating the fears and concerns of a young child and of providing comfort and reassurance. Particularly well presented are the themes of jealousy upon the infant's arrival and feelings of guilt in the aftermath of her death. The watercolor illustrations are serviceable and help to convey the family's emotions. A note to parents gives some facts about SIDS and an address to write to for more information.

This Book is for All Kids, But Especially My Sister Libby. Libby Died.
Jack Simon, Age 5
(Ages 4-9)

Jack Simon was five years old when his sister, Libby, died. She'd been born with a rare disorder and wasn't expected to survive six months. But she lived three and a half years, giving Jack plenty of time to get to know her. When she died, Jack struggled to understand how God could take away his little sister. Everyone experiences grief, but children express it differently. Afraid to ask questions that might make someone sadder, children often keep their sorrow locked inside. Jack's mom, Annette, encouraged her son to talk about his pain, and she insightfully began a diary. Jack's questions eventually became the picture book This Book Is for All Kids, but Especially My Sister Libby. Libby Died.
